Dear Parishioners,

We enter today into the most important week of our Church Year: Holy Week. We gather today, like the crowds who filled the streets of Jerusalem, to herald Jesus as our Messiah. We take up palms to unite us in the spirit of that first Palm Sunday, that is, to create a road of honor for Jesus to enter in. Today, we proclaim Jesus as the Lord of salvation and open for him the path to our hearts, that he may come and fill our spirits with his perfect attitude of obedience to God and sacrifice for others, so that we may then make this Spirit a reality for all.

I cannot strongly enough encourage you to participate in the liturgies of the Easter Triduum: Holy Thursday, Good Friday and the Easter Vigil. These beautiful liturgies reveal to us in their ritual and prayers the sacrificial gift of Christ and they move us to immerse ourselves into that same life. Here is how one author, Peter Mazar, phrases it:

*The first day of the Triduum, from Holy Thursday sunset to Good Friday sunset, is the sixth day of creation, when God formed us from clay and breath. In dying the Lord Jesus fell asleep, like Adam, that we might be formed from his own body, like Eve. Jesus completed a new creation. On this day we wash each other's feet in tender humility. We fast as if we were again in paradise. And we come to the holy cross as if it were Eden's tree of life.*

*The second day of the Triduum, beginning Good Friday sunset, is the Sabbath. In burial the Lord Jesus rested, and we rest in him. But this day is also an image of the timelessness before time began. In death the Lord Jesus entered the "formless void," the utter nothingness before creation. On this day we continue our fasting with the anxiety of separated lovers. We keep watch, learning the lessons of restfulness, silence and darkness. We reserve this day, unique in all the year, to do nothing at all.*

*The third day of the Triduum, beginning Holy Saturday sunset, is the great surprise. Light is kindled in darkness. Order is born from chaos. Life puts death to death. The rainbow appears and the Red Sea opens. The Jordan skips and Jonah swims with the whale. Daniel curls up with lions and the three youths play with fire. And a slaughtered lamb rises to become our good shepherd.*

*That's why we make this night shine like day. We tell our best scriptures and sing our favorite psalms. We witness resurrection in our very midst as the newborn children of God rise from the waters of baptism, are christened with the fragrant oil of confirmation, and are led to partake of eucharist.*

*As the darkness of this night passes over into dawn, our Paschal Triduum – our Three Day Passover – is accomplished, and irresistible Easter overwhelms the world.*

Beautifully said! My friends, come and participate in the liturgies of these days, witness the beauty and experience the glory of humankind reconciled with God!

## **Parents of 4 and 5 year olds**

St. Angela Merici Parish will be starting a Children's Liturgy of the Word Program at the Sunday 11:00 masses closer to the end of April.

This will enable families to attend Mass together and parents will still be able to have a prayerful experience. The children will be dismissed from Church before the 1st reading and go to another space to pray. They will listen to the readings and homily on their level, and then return to Church at the presentation of gifts.

We would like to know how many children will be participating in order to prepare. If you are interested, please call Dianne at the Rectory, 835-0324.

Dear Parishioners,

*Here comes the day which the Lord hath made: It destroys death. All creatures keep a fast of joy at the resurrection of Jesus.*

*Flowers spring up, meadows are again clothed in their rich verdure, and birds, now that gloomy winter is past, carol in sweet jubilation.*

*The sun and moon, which mourned at Jesus' death are brighter now than ever. The earth, that shook at his death and seemed ready to fall to ruin, now puts on her richest green to greet her risen God.*

*Let us, therefore, be glad on this day whereon our Jesus, by his resurrection, opened to us the way of life.*

*Let stars and earth and sea rejoice: Let all the choirs of the blessed in heaven give praise to the Trinity: Amen*

Happy Easter to you all! The words above, from the Missal of St. Gall, proclaim the joy with which believers see this day. To some, it is just another Spring morning. To us, it is salvation made real. To some, it is just another lazy Sunday or a day for chores. For us, it is a day to celebrate with family and friends, to greet each other at church with great joy and to enter into the celebration of the Mass with unbridled festivity. To some, it is a day to enjoy a great meal and snack on candy eggs and bunnies. To us, it is a foreshadowing of the great feast of heaven, when all creation will rejoice and find total fulfillment and satisfaction in the glorious vision of the Risen and eternal Christ.

May our Masses this day be filled with joy. May your Easter meal and Easter Day be the experience of God's new life, care and peace!

\*\*\*\*\*

Please note that there will be only ONE collection at our Masses on Easter Sunday. The Archdiocese used to give each parish an assessment on Christmas Day for the support of Archdiocesan ministries and clergy welfare and again on Easter Sunday for the support of our two Archdiocesan seminaries. However, these assessments have now been incorporated into our regular weekly Archdiocesan assessment. Hence, the one collection on Easter will be for our ordinary parish expenses; this, of course, now includes our seminary support.

If you have noticed, our weekly collection has been a bit lower than our needed \$18,000.00 weekly income for the past several weeks, so I ask that you make a generous Easter donation to the support of your parish. I thank all of you who regularly use church support envelopes and who give sacrificially to the expenses of your parish, and I encourage all of you to remain conscientious in support of the temporalities, ministries and organizations of your parish.

\*\*\*\*\*

The Easter Season is the prime season for celebrating the Sacraments of Initiation. We did not celebrate Baptisms during Lent and so we will be baptizing a number of children during this season. Our second-graders are rapidly approaching the Mass of their first reception of Holy Communion. While we will not celebrate Confirmation until next year, teens in our parish are meeting regularly for Confirmation preparation. Please keep all of these folks and their families in your prayers during this Easter Season.

\*\*\*\*\*

Throughout Lent, many households in our parish have been participating in our special parish Lenten project of praying, fasting and collecting alms for the support of either ACCESS Pregnancy Counseling and referral services, Habitat for Humanity or Operation Rice Bowl of the Catholic Relief Services.

NEXT weekend, April 14 and 15, we ask you to bring your offering to church. There will be collection bins on tables where you picked up your baby bottle, rice bowl or house bank. We ask that you bring your offering to church next weekend and, before Mass, place it in the proper bin. We will let you know the following week the total of the offerings we receive.

St. Angela Merici Parish will be starting a Children's Liturgy of the Word Program at the Sunday 11:00 masses closer to the end of April.

This will enable families to attend Mass together and parents will still be able to have a prayerful experience. The children will be dismissed from Church before the 1st reading and go to another space to pray. They will listen to the readings and homily on their level, and then return to Church at the presentation of gifts.

We would like to know how many children will be participating in order to prepare. If you are interested, please call Dianne at the Rectory, 835-0324.

Dear Parishioners,

Throughout Lent, many households in our parish participated in our special parish Lenten project of praying, fasting and collecting alms for the support of either ACCESS Pregnancy Counseling and referral services, Habitat for Humanity or Operation Rice Bowl of the Catholic Relief Services.

This weekend, April 14 and 15, we ask you to bring your offering to church. There will be collection bins on tables where you picked up your baby bottle, rice bowl or house bank. We ask that you bring your offering to church next weekend and, before Mass, place it in the proper bin. We will let you know in next week's bulletin the total of the offerings we receive.

\*\*\*\*\*

I want to thank all those who ministered at our Holy Week and Easter liturgies. These are always beautiful and moving liturgies that invite us to experience in prayer the Lord's death and Resurrection, and their dignity and beauty is always enhanced by those who give so much time and energy to them. Church cleaners and decorators, extraordinary ministers of Holy Communion, music ministers, readers, altar servers, ministers of hospitality, those who donate palms, the generous and dedicated members of our parish staff: all of these folks worked diligently and wonderfully and gave generously in your service. On your behalf, I acknowledge and thank them.

\*\*\*\*\*

Spring is a beautiful time for nature, as we see plants, trees and flowers come back to life, as we hear the birds chirping loudly and energetically and smell the blooming flowers around us. The Easter Season is filled with sacramental celebrations as members of our Church grow in the new life of Christ. Please keep in your prayers in a special way our second-grade school and CCD students who are in their final preparation for their first reception of Holy Communion on Sunday, April 29.

These months are also filled with lots of family, parish and school activities.

-- Please keep in mind that our annual school play will have performances April 19-22.

-- The American Legion Band will return for another concert on Wednesday, April 25. Refreshments will be provided following the concert.

-- And plan to participate in our annual Spring Soiree on Saturday, May 5. The Soiree is a great party: good fellowship, great food, plentiful drink, music and dancing. It includes a silent auction, with that opportunity to go home with lots of goodies. In addition, there is the opportunity to win the cash! The Soiree is also an important fund-raiser, for it allows us to take on projects that are not included in the parish budget. This year, proceeds from the Soiree will be used to improve the Center's lobby area and restrooms. Tickets are available at the parish office.

Jesus said to them, "Come, have breakfast." And none of the disciples dared to ask him, "Who are you?" because they realized it was the Lord. Jesus came over and took the bread and gave it to them, and in like manner the fish. - Jn 21:12-13

Dear Parishioners,

Throughout Lent, many households in our parish participated in our special parish Lenten project of praying, fasting and collecting alms for the support of either ACCESS Pregnancy Counseling and referral services, Habitat for Humanity or Operation Rice Bowl of the Catholic Relief Services.

This past weekend, we received your offerings. I am happy to report these results to you: 175 gifts were received for the support of ACCESS Pregnancy Counseling Services, and donations totaled \$5,699.83; 82 offerings were received in support of the work of Habitat for Humanity, and those donations totaled \$3,273.53; 88 offerings were received to assist in the work of Operation Rice Bowl of the Catholic Relief Services, and those offerings totaled \$2,954.96.

Our fasting was united with prayerful support for these important and worthy causes and almsgiving to promote their work. I thank all those who so generously and faithfully took part in our Lenten project, giving of self for others. May our Easter season be filled with our embrace of the new life Christ has won for us as we seek to share the hope and the peace our Lenten sacrifices can bring to those in need.

We received last week information from the Finance Office of the Archdiocese that, because of the generosity of so many to our Archdiocese in our recovery from Hurricane Katrina, the Archdiocese is able to offer to parishes assistance in the "parish share" of our weekly support of Archdiocesan offices and ministries and parish insurance. Our parish has received a credit with the Archdiocese in the amount of \$120,159.64. What an unexpected and wonderful gift!

All of this money has been applied against our parish debt. During my time here as your pastor, our debt reached a high of \$909,631.83. Thanks to your consistent support of our parish, our fidelity to our parish budget, our extra effort to use other financial gifts and this credit from the Archdiocese, our debt today stands at \$579,398.68. We are making good progress in retiring this debt. I am hopeful that, with your continued conscientious giving, we will be able to continue to retire the debt at an accelerated pace – quicker than the ten-year plan we currently have had for the past two years.

For those of you who participated in our parish information gatherings two years ago, I shared with you that I think we need to expand our parish facilities: I think that we need more office and meeting space. I have heard agreement with this from a number of parishioners. We cannot, of course, undertake such a project until the debt is retired, and so we need to make retiring our debt a focus of our financial planning. I am truly grateful that the Archdiocese has given us this assistance and I hope that we will all be able to come together to continue aggressively to eliminate our debt.

\*\*\*\*\*

Tickets for the Spring Soiree are now available at the rectory. The Soiree is a great party, with lots of food and drink, entertainment and fellowship. The raffle makes the evening exciting and the silent auction offers even more fun. All proceeds from the Soiree allow us to undertake special projects not included in our parish budget. With proceeds this year, we will continue to make improvements to the Msgr. Kern Center, one of most used parish buildings.

Call the rectory or the school for information about Soiree tickets!

## **2007 School Family Support**

Please note that there has been a change in the amount of 2007 Parish financial support required in order to qualify as an active, supporting parishioner for tuition purposes in the **2008-2009 school year**. The Parish Finance Council, after much deliberation and consultation with neighboring parishes, determined that the **minimum contribution for the year is now \$520**. Please also note that this contribution is made by using your weekly or monthly contribution envelopes, second collections do not count. If you have any questions about your individual contributions, or if you are a school family not receiving contribution envelopes, please contact the rectory (835-0324).

Dear Parishioners,

Today is a special day in the life of our parish as we celebrate the First Holy Communion of 36 of our young people at the 12:30 p.m. Mass. It is certainly a joyful day for these children as they take this next step in the Sacraments of Initiation and begin sharing in the Body and Blood of Christ in the Eucharist. They have been preparing for this day for many weeks now and are eager for this Easter gift of new life. This is a joyful day for their parents and families as they see these children continue to grow in the ways of faith and the life of our Church. But this is a special day for *all of us*, for the journey of faith is one that we make *together*, both receiving support from one another and giving support to one another.

When bad things happen in our world, especially when bad things are done by young people, the customary cry is, "Why didn't someone teach them better?" The religious formation that we offer to our youth, whether this formation takes place in our school or in our religious education program, is the way that *all of us* pitch in and do our part to teach them the better way, and to support their parents and families as they fulfill their primary responsibility in teaching the way: the way of Christ, his laws, his values, his obedience, his faith, his selfless service. Whether you have a child or grandchild in our school or CCD program or not, every time you place your envelope in the Sunday collection, every time you participate in the parish Fair or the school play, every time you bring coffee labels or box-tops for education to school or church, you support the religious education and school ministries of our parish and the children we serve in those ministries, you support the promotion of the values they need to live and grow well.

Please keep in your prayers this weekend our First Communion candidates. Pray in joy with them as they come to the Lord's table for the first time and experience the love of Christ in Holy Communion. Pray in petition with them, that they will continue to grow closer to the Lord, grow stronger in the ways of faith. Pray for them, that they may know the Lord's real presence with them and the love that we feel for them, that they may know and do what is good and right today and every day of their lives.

\*\*\*\*\*

Three times each year, we host at the rectory a welcome for new parishioners. This is simply a family reception, hosted by our parish's Family Life Committee, so that all the members of our parish staff and our parish leaders can meet our new parishioners in a relaxed environment and they can meet us and learn a little bit about our parish as we get to know one another better. In recent months, we have had a lot of "for sale" signs go up in our neighborhood, and a lot of those signs taken down, so we know that we do indeed have a number of new Catholic families with us. I invite all new families to join us for our New Parishioner Welcome at the rectory this Friday night, May 4, from 7:00-8:00 p.m. If you can come, please telephone the rectory in advance so that we can make certain that we have sufficient refreshments for all.

\*\*\*\*\*

Tickets for the Spring Soiree are now available at the rectory. The Soiree is a great party, with lots of food and drink, entertainment and fellowship. The raffle makes the evening exciting and the silent auction offers even more fun. All proceeds from the Soiree allow us to undertake special projects not included in our parish budget. With proceeds this year, we will continue to make improvements to the Msgr. Kern Center, one of the most used parish buildings. The Soiree is next weekend, Saturday, May 5, so call NOW for your ticket!

## **Catholic Home Missions Appeal**

My Sisters and Brothers in the Lord,

This Sunday, the bishops are asking Catholics in parishes across the nation to contribute to the Catholic Home Missions Appeal. It supports missions here in the United States.

Some people may be wondering what "home missions" are. There are many places in America-Appalachia, the Deep South, the Southwest, the Rock Mountain states-where the Catholic Church struggles just to keep parishes open and to educate children in the faith.

Last year, Home Missions gave more than \$3 million to the dioceses along the Gulf Coast devastated by Hurricane Katrina and Rita. Please God, there will be no repetition of these disasters. But Catholic parishes in rural America still struggle to offer Mass, the sacraments, and religious education. Some dioceses are terribly short of priests, sisters, and the money needed to run parishes.

The Appeal allows more prosperous Catholic communities to offer poorer ones practical support. It's as simple as that. Over 95 cents of every dollar donated to the Appeal goes out to the missions.

Please help strengthen our Church at home. Thank you for your generous support.

Sincerely in the Lord,

Most Reverend Alfred C. Hughes  
Archbishop of New Orleans

Dear Parishioners,

Each year, we have the opportunity to give special recognition to members of our parish who have given generous and faithful service to our parish, as we select people to receive the Medallion of the Order of St. Louis from the Archbishop. The medallion will be presented to men and women from parishes throughout the Archdiocese today by the Archbishop in a ceremony at St. Louis Cathedral. I am happy to announce to you that this year we have selected Ida Mialaret and June Prados to receive this honor.

Ida Mialaret and her husband were parishioners at its founding. Six of their seven children went to St. Angela Merici School and, like most school parents, she and her husband found themselves involved with school life and activities. Ida served as a Girl Scout leader and worked in the school library as a volunteer. Ida and her husband also ministered on the Archdiocesan level: they worked with the Archdiocesan Family Life Apostolate, serving as part of a teaching team that provided high school-aged students with a course on marriage preparation and married life, modeled after the pre-Cana classes offered to engaged couples. She has also taught CCD in our parish. Ida was a founding member of SALA and has participated in our Bible Study Group. She has served as an extraordinary minister of Holy Communion since the time that ministry was begun in our parish and, along with ministry of Communion at Mass, also brings Communion to some of the home-bound of our parish. Ida has also served on the Pastoral Council.

June Prados and her husband were also two of our founding parishioners. Having had all nine of their children go through their elementary education here at St. Angela, June found herself rather deeply involved in school life: helper in the school lunch/cafeteria program, coordinator of schools services, Room Mother several times, teacher in the Junior Great Books program, teacher of religion for 7th and 8th grades, special ed class volunteer, substitute teacher, Fair worker and Fair booth chairperson. She was a Den Mother for the Cub Scouts, with her husband hosted the Confirmation Program when this was being done in parish homes. June was a member of the planning team for RENEW. She was a founding member of SALA, has been on the Board of SALA for 25 years and has served on various committees of SALA, chaired committees and served in various leadership roles, including SALA President. She continues to volunteer for Summer Safari. June has been the leader of the parish Bible Study Group for the past ten years, is a Reader at Mass and currently serves on the Pastoral Council.

That's just the parish things they do! I think you will agree with me that these two women of faith and action are well-deserving of this recognition. They have been and remain genuine examples of faith-filled and committed parishioners. I thank them for all they have done for our parish over the years and for all they continue to do. They serve as good, even challenging examples to all of us. Congratulations, Ida and June!

There are, of course, many parishioners who are very active. They bring to their membership in parish organizations and to their involvement in parish ministries great love for Christ and the Church, great zeal and tremendous energy. While we single out Ida and June for this year's recognition, I thank all of you who are active in various aspects of parish life and our school activities. I thank those whose time limitations and physical abilities keep them from "working" in the parish, but who contribute generously in response to our parish's financial needs. All of you are important and valuable and I thank you all for what you do as we serve together seeking to build up the reign of Christ in our little corner of God's creation!

\*\*\*\*\*

I would like to give you an up-date on the response to our parish Lenten project since we have received several additional contributions. We have received 24 more donations to ACCESS Counseling Services with gifts of \$1,503.62. Nine more donations for Habitat for Humanity have come in, with gifts of \$434.64. Eight more families have contributed to Project Rice Bowl of the Catholic Relief Services, adding \$211.04 to that cause. We have sent checks to each of these groups in these amounts: ACCESS Pregnancy Counseling Services: \$6,701.45; Habitat for Humanity: \$3,708.17; Operation Rice Bowl: \$3,165.97. Thanks again to all who participated in this Lenten project of prayer, sacrifice and almsgiving!

Dear Parishioners,

As we celebrate Mother's Day today, we pledge to hold in our prayers at each Mass our mothers, step-mothers, grandmothers and godmothers. I wish all of you a Happy Mother's Day. I trust that your family will all express, in whatever way they can, their gratitude for the love you have shared in mothering and in family life. May Mary, Mother of God and Mother of the Church, intercede for each of you, and help bring the special prayers that are in your heart today to the throne of God. May Mary's prayers and example help you to remain women of faith and may the Lord bless you for the nurturing and care you have provided and continue to provide those you love.

Happy Mother's Day to all the Moms in our parish family!

What a great party the Soiree turned out to be again this year!

There is a LOT of work that goes into making the Soiree a success. On your behalf, I would like to acknowledge and thank those who served on the Soiree Committee. Special thanks to Fern Carr, committee chair, Theresa Miller, Pam Pendzimaz, Greg Corrente, and our school principal, Colleen Remont, who all put in extra effort for the evening. Thanks, also, to the ladies of SALA who did the table decorations, to the men of SAMA and School Board who handled the gaming, and to the Co-op ladies who assisted with the auction. To all those who worked in any way to make the Soiree a success and to all of you who supported the evening by buying tickets and taking home special auction items, THANKS!!!!

As I mentioned, we will be using the proceeds from the Soiree to continue to make improvements to the Msgr. Kern Center, focusing this year on upgrading the lobby and restrooms. I will let you know more about those plans and the time-line for the work as that takes a more definite shape.

Major winners from the evening:

- ❖ The \$10,000.00 prize was shared by William Andry, Carol Casanova, John Johnson, Knights of Columbus Council 9007, Roland Rome and Richard Treuting.
- ❖ Jill Villarrubia won the Dinner for Six prepared by Father Ken.
- ❖ Paul Galloway was the winner of the Gulf Shores Getaway.
- ❖ Chris Hirschey won the limousine ride and breakfast with the Principal.
- ❖ Bob Armbruster and Mel Pavon bid the highest for special seating for school promotion events.
- ❖ John Giorlando was the winner for Principal for a Day.
- ❖ Scott Elston won the basketball.
- ❖ Carey Johnson was the winner of the Saints Club Seats.
- ❖ Robert Pendzimaz won the Ultimate Fair Experience.

The only thing that would have made the evening better would have been to sell ALL the tickets and have had more people enjoying the event, giving this extra support to our parish. I want to say an early word encouraging you, if you weren't there to consider joining us next year for the Spring Soiree!

\*\*\*\*\*

It has been the custom for those who serve in our various liturgical ministries to wear a special cross while serving in that ministry. Because we have, over the past few years, been welcoming a number of new people into some of our ministries, I was made aware that not everyone had their own cross any more. The crosses we ordered for them have arrived and so I ask those who serve as Readers, extraordinary ministers of Holy Communion, and Ushers/Ministers of Hospitality please to stop in the sacristy before or after Mass this weekend to pick up a cross and chain.

*F. Ken*

Dear Parishioners,

It's a bit hard to believe, but another school year is coming to an end! Seventh Grade Promotion will be on Wednesday of this week. The school's Awards Assembly is on Thursday. The final Mass of our school year will be on Wednesday at 9:30 a.m. I encourage parents and other parishioners to join in the school Mass, as we gather as a community of faith to thank God for the blessings of this year and pray for God's special blessing on our young people as they begin their Summer vacation.

We bid a bittersweet farewell to our Seventh Graders, who now will move on to high schools. While we are sorry to see them leave us, we are happy with them as they begin their new ventures in the high schools they will be attending.

I thank all of our faculty, administrators, staff and School Board members for the fine work they did throughout this year. SACS accreditation, quality education, strong guidance in religion and values, formation of the whole child were goals they sought and goals they accomplished during this year. I am proud to be pastor of a parish with such a fine school and proud to have the opportunity to work daily with these dedicated women and men!

I thank our parents for their support and cooperation during the year, for all they did, especially through the Co-Op, to promote our school and to give encouragement and support to our children and our faculty.

Have a great Summer, everyone. See you in August!

\*\*\*\*\*

Our parish Pot Luck dinners have always been a wonderful time of fellowship, of community-building and, of course, feasting on great food! Our next parish Pot Luck Dinner will be **next weekend, Saturday, May 26**. We are scheduled to begin serving at 5:30 p.m. Certainly those attending 4:00 p.m. Mass might just want to go over to the Center right after Mass to relax and have a beverage until serving time. This will serve as another good end-of-school gathering and give us the chance to meet and visit before we all begin heading out at different times and in different directions for our Summer vacations. Bring a covered dish of your favorite recipe to share and let us all experience, in our gathering, the continuing joy, bounty and blessings of the Easter Season as we reach its climax that weekend, the Solemnity of Pentecost.

\*\*\*\*\*

We continue to see lots of "For Sale" signs in front of homes in our area, and that brings with it the sad news that, as the effects of Katrina continue, we see friends and family members moving away. But, as we see those signs come down and moving vans traverse the streets, we welcome the good news that new families are moving in. I want to extend a word of welcome to those who have recently moved into St. Angela Merici Parish. We are happy to have you with us and will be even happier as you become more active in our parish community. I can honestly tell you that this is a warm and caring parish family and I encourage you to get involved that you may experience this warmth for yourself - and contribute to it!

If you are a new parish family, please contact us at the rectory so that we can get you registered and on the bulletin mailing list. We have a New Parishioner Welcome seasonally and, once you register, we can let you know the date of the next one so that you can meet other recently-arrived families and some of our parish leaders as well and begin to learn about parish activities and organizations. The Pot Luck, by the way, would be great place for us to begin to meet and know one another!

*F. Ken*

Dear Parishioners,

If you receive/read this bulletin early enough, let me remind you that our parish Pot Luck dinner is this Saturday, May 26. We are scheduled to begin serving at 5:30 p.m. Certainly those attending 4:00 p.m. Mass might just want to go over to the Center right after Mass to relax and have a beverage until serving time. This will serve as another good end-of-school gathering and give us the chance to meet and visit before we all begin heading out at different times and in different directions for our Summer vacations. Bring a covered dish of your favorite recipe to share and let us all experience, in our gathering, the continuing joy, bounty and blessings of the Easter Season as we reach its climax this weekend, the Solemnity of Pentecost. You may bring your dish to the Center as early as 3:00 p.m.; members of our Family Life Organization will be there to receive them from you. Join us for an evening of great food and fellowship!

\*\*\*\*\*

We will have several changes in membership on all three of our major consultative bodies in our parish. Sara Aucoin is coming onto the Finance Council to complete the term of Mike Prat. David Barbier will be a new member of the Pastoral Council, completing the term of Bill Farrington. Gretchen Lowe will be on the School Board, completing the term of Chris Pease. I welcome all of them to these important groups. I thank them for their willingness and eagerness to serve.

The School Board currently replaces three of its nine members each year. New members to the School Board, beginning their three-year terms of office, are Paul Armbruster, Salva Ledet and Peggy Lulich. Again, I thank them for accepting this new responsibility in our parish and we look forward to having them help lead and guide our school.

\*\*\*\*\*

This weekend is the annual worldwide collection for the charities of the Holy Father, what used to be known as "Peter's Pence." Funds collected this weekend are used by the Pope for emergency relief efforts when needed and also are used to help fund the Pope's travels throughout the world, as he continues to follow the mandate of Christ to "go out to all nations." We ask your customary generous support.

\*\*\*\*\*

With the Solemnity of Pentecost, that we celebrate today, the Easter Season comes to its fulfillment and its close. Jesus, resurrected from the dead, left this earth, but promised that he would not abandon us. He promised that his own Spirit would be present to continue to guide us in his way, that we might not only maintain but spread the new life, the new hope, the everlasting joy that he won for us by his dying and rising. The Holy Spirit is Christ's final gift, a gift that cannot be taken away, a gift that does not wear out over time.

I love the daily readings of the Easter Season, the stories we hear from the Acts of the Apostles. Even though we read them every year, they always stir my heart and lift my spirits. Hearing about the ventures of the Holy-Spirit-gifted apostles, leaving that upper room and going out to give "bold proclamation," hearing about the conversion of St. Paul and the way he threw himself absolutely and unreservedly into his ministry to the Gentiles, hearing of the first Council of Jerusalem, where the apostles and Paul began to talk out and work out their differences (with open ears, open hearts, constant prayer and ready attentiveness to the Holy Spirit), hearing how the new Church was ready to tackle issues as they came up and deal with them pastorally and theologically, all of this gives me joy in our tradition and assurance that, when we work together with open ears, open hearts, constant prayer and ready attentiveness to the Spirit, we can continue to bring freshness to our Church and our life together right here in our parish. "Come, Holy Ghost, Creator blest . . . come with thy grace and heavenly aid . . . fill the hearts which thou hast made." Let us be open to the Spirit's gifts in us, in the people of this parish, and let us pledge this Pentecost Day to use those gifts as we seek together to renew the face of the earth.

*F. Ken*

## **Peter's Pence Collection-Archbishop Hughes**

Each year, the annual Peter's Pence Collection, in support of the works of the Holy Father, is held in parishes across the country. The proceeds from this collection fund emergency relief assistance to those throughout the world who suffer from war, oppression, and natural disasters. The theme for this year's collection is **Goodness Works Quietly**. Through works of charity, Catholics provide a quiet but powerful witness of love and deeds to empower the weak, the defenseless, and the voiceless, and to sustain those who suffer.

As we participate in this special appeal, we join with the more than one billion Catholics worldwide in a loving expression of solidarity. We share in the concern of the successor of Peter for the many different needs of the universal Church and for the relief of those most in need around the globe. I ask you to consider contributing to the collection this year, and I am grateful for your generosity. Together let us ask the Lord to bless the Holy Father and us as well as those in need throughout the world.

Dear Parishioners,

School has closed and summer vacation time is upon us. We will begin Scripture Safari this week, and Sr. Paula and her large band of volunteers have all been hard at work preparing for this annual and very popular Bible study camp – as I write this, Sister tells me that we have about 200 children registered and about one hundred teens who have volunteered to assist!. Many of our school children will return to familiar surroundings for two more weeks. Some folks have already begun their summer vacations; some will be staying home to enjoy summer's more leisurely pace; some will remain just as hectic as summer sporting and other activities pick up pace. Whatever you will be doing this summer, I hope that you will have a great time with family and friends.

Staff members will all be taking time off during the summer. I know among the priests, Fr. Schott will be away the last two weeks of June and the first week of July, and I will be gone about the same time. Fr. Ray will be taking off a week before I leave and then, at the end of July, will have his second carpal tunnel surgery.

While school is closed and as soon as Safari ends, our custodial staff and the volunteers of the Building and Grounds Committee of the School Board work feverishly to strip floors, clean carpets, paint classrooms, and do other repairs and improvements to ready our facilities once again for the next school year and the next year of parish activities. With our faculty returning the first week of August for their before-school faculty meetings, it's a hectic pace we keep during the summer!

Now, you would expect me, as your pastor, to know that the expenses of your parish do not decrease during the summer. So, even if and when you're traveling, please remember that we still rely on your conscientious, faithful and sacrificial financial contributions. Feel free to "double up" (or more) on your contributions before you leave town or after you return. You might have noticed that our collections have been a bit inconsistent these past six weeks or so, as we've been moving around for First Communions, graduations, weddings, Jazzfest, etc., and we need to do better. Please be generous to other parishes you visit during the summer but remember your home parish needs you!

\*\*\*\*\*

The parish Finance Council has been working carefully these past few months, preparing the parish budget for the up-coming fiscal year that will begin on July 1. In the next few weeks, we will be sharing information with you about that budget and your important role in helping us meet all our projected parish expenses. After this current fiscal year ends, I will share with you a full financial report, bringing you up-to-date on the status of our parish. Please be attentive when this information is shared with you.

The parish Pastoral Council is still refining our parish goals and strategies for the next three years. This has been a lengthy, but good, process. The Pastoral Council will meet again this month, and it is our hope that the wording of the goals will be finalized, that the goals will be prioritized and then sent by this Council to the right group(s) to begin working on these goals in the Fall. I look forward to sharing these goals with you in the coming weeks, for this is a great sign that our parish is vibrant, and that we seek to be attentive to the needs of our parishioners through the organizations, activities and ministries that we offer.

*Fr. Ken*

Dear Parishioners,

Another hurricane season is upon us and I would suspect that our anxiety levels are just a bit elevated (at least I know mine is!). When we realize that there are things beyond our control, we try to find ways to cope. Of course, for us as people of faith, this is exactly when we turn to God, looking for God's own support and care, seeking God's loving protection. And this is the time, as people of the Church, that we also turn to one another, realizing that we are never alone, but that there is a community willing to support us. As people of faith and as people of the Church, let us unite minds, hearts and voices and turn to God in prayer during this hurricane season. We received from the Archdiocese these three prayers, and I encourage you to pray these faithfully throughout this hurricane season.

#### **Prayer for the Hurricane Season**

O God, Master of this passing world, hear the humble voices of your children.  
 The Sea of Galilee obeyed your order and returned to its former quietude; you are still the Master of land and sea.  
 We live in the shadow of a danger over which we have no control.  
 The Gulf, like a provoked and angry giant, can awake from its seeming lethargy,  
 overstep its conventional boundaries, invade our land and spread chaos and disaster.  
 During this hurricane season, we turn to you, loving God. Spare us from past tragedies  
 whose memories are still so vivid and whose wounds seem to refuse to heal with the passing of time.  
 O Virgin, Star of the Sea, our beloved Mother, we ask you to plead with your Son in our behalf,  
 so that spared from the calamities common to this area and animated with a true spirit of gratitude,  
 we will walk in the footsteps of your Divine Son to reach the heavenly Jerusalem  
 where storm-less eternity awaits us. Amen.  
 (originally dedicated to the victims of hurricane Audrey in 1957Fr. Al Volpe, Cameron Parish, LA)

#### **Prayer for Protection against Storms and Hurricanes**

God, our Creator and Protector, through the intercession of Our Lady of Prompt Succor,  
 spare us during this hurricane season from all harm.  
 Protect us and our homes from all disaster of nature.  
 Our Lady of Prompt Succor, hasten to help us.  
 We ask this through Christ our Lord. Amen.

#### **Prayer to Avert Storms and Hurricanes**

God of all creation, all the elements of nature obey your command.  
 Calm the storms and hurricanes that threaten us and turn our fear into praise of your goodness.  
 Grant this through our Lord Jesus Christ, your Son,  
 who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Hopefully, God will hear and answer these fervent prayers we offer, but let me also remind you of our parish procedure (prepared by the parish Pastoral Staff and agreed to by the Pastoral Council based on our experience with Katrina), should a hurricane come our way:

When an evacuation is called for by local civic authorities, whether this is a recommended, voluntary or mandatory evacuation, all scheduled parish activities, including liturgical services, will be cancelled immediately. The Blessed Sacrament and parish sacramental records will be secured according to archdiocesan policy, parish facilities will be secured and all parish staff, including clergy, will follow the evacuation order and vacate the parish campus. All parishioners should similarly follow the evacuation order. Insurance regulations prohibit us from offering parish facilities as an evacuation shelter.

Please pray those prayers offered above, so that we will not have to follow this practice!

*Fr Ken*

Dear Parishioners,

We wish all Dads a Happy Fathers' Day today! Fathers, with their wives, share in the very power of God to bring new life to earth and, in doing so, accept the responsibility to nurture and guide their children in God's way. We pray today for all of our fathers, grandfathers, godfathers and step-fathers, that they may shoulder this responsibility well. We will keep you in our prayers at all of our Masses today.

We pray, too, for our deceased fathers, that the Lord may bring them to the joy of life in our heavenly home.

\*\*\*\*\*

Scripture Safari has come to a close, and I want to thank all those who made this another very enjoyable and successful Summer Bible Camp for our young people. Thanks to Sister Paula, all the adult and teen volunteers for their leadership. Thanks to the parents who supported this activity and, of course, to all the young people who participated. I think all of our children came to see once again how much there is to learn about the Word of God and how that living Word touches our lives – all wrapped in great fun. See you next Summer!

\*\*\*\*\*

We have arrived at the final tally for the Spring Soiree. A total of 237 tickets were sold. The live and silent auctions produced an income of \$16,678. There was a small amount of additional revenue from donations and other sources. The total profit from the Soiree came to \$24,990.39. As I did a few weeks ago, I again thank all of you who had a hand in making the evening a success: the planning committee members, the decorators, those who worked at the Soiree, all those who solicited and supplied auction items, those who purchased tickets and participated in the event.

Earlier in the week, Jackie Appleton, our Business Manager, and I met with the contractor recommended by the Archdiocesan Building Office and discussed upgrading the lobby area and rest rooms in the Center. The contractor is now refining those plans and estimating the cost. As you know from working on your own homes, restrooms and kitchens are the most expensive rooms to renovate, and so I fully expect that we will have to do some of this work in phases. The contractor did tell us that some of the materials take about eight weeks to get, from the date they are ordered, so please be patient: this project will take a while!

\*\*\*\*\*

This week, we lost one of our large pine trees near the St. Angela statue to termites. It had fallen and was resting against the school building, being held up by one branch. Unfortunately, just as the tree removal team began their work, this branch gave way. Thankfully, no one was injured, but part of our fence took a hit. The tree is gone and the fence will be repaired soon. We will also have our pest control company check out the neighboring trees. I really do not like termites.

\*\*\*\*\*

Father Schott will not be with us today: he has left for some vacation time and for a conference he wanted to attend. He will return July 2. Father Schott will also be out from July 21-31. I will be leaving for vacation on Monday and will be out until Tuesday, July 10. We are working diligently to find some priests to assist us with both weekday and weekend Masses this Summer, because Fr. Ray will also be on vacation several weeks during the Summer. From the looks of things, we may not be able to cover every day, so if, at times, there are Communion Services on weekday mornings instead of Mass, please be understanding! We will do our best to let you know any changes in advance.

## Church Support

**June 10**

Weekly Collection ..... \$15,191.50

### 2007 School Family Support

Please note that there has been a change in the amount of 2007 Parish financial support required in order to qualify as an active, supporting parishioner for tuition purposes in the **2008-2009 school year**. The Parish Finance Council, after much deliberation and consultation with neighboring parishes, determined that the **minimum contribution for the year** is now **\$520**. Please also note that this contribution is made by using your weekly or monthly contribution envelopes, second collections do not count. If you have any questions about your individual contributions, or if you are a school family not receiving contribution envelopes, please contact the rectory (835-0324).

## Retirement Fund for Diocesan Priests

My Sisters and Brothers in the Lord,

The Archdiocese is truly blessed by the service of its many fine and dedicated Archdiocesan priests. We are particularly blessed by having the services of our fifty-four retired priests who continue to serve the Church of New Orleans and the surrounding region in many ways.

The annual collection on Father's Day is used to defray the significant costs of the medical and retirement expenses for these retired priests.

Your participation in this collection is a way to say "thank you" to our retired priests for their many years of service to us, the Church of the Archdiocese of New Orleans. I assure you that your support will benefit the priests for years to come.

Sincerely in the Lord,

Most Reverend Alfred C. Hughes  
Archbishop of New Orleans

Fr. Ken has asked us to report to you about our ministries. First on my list is Summer Safari (our Bible Camp) which just ended on June 15<sup>th</sup>. We had 220 campers, students from pre-kindergarten to seventh. Along with this group we had 110 Scouts, high school students who served as teacher helpers. These young people were marvelous to watch as they interacted with the adult leaders and the younger children. They were the ones who took the responsibility for keeping things moving smoothly. Our Guides, or teachers numbered 36 and worked hard to make sure the lessons went well and provided leadership for our scouts. This gives me an opportunity to say thanks to all who performed the daily tasks that gave our children a wonderful two week experience. This year we had two service projects. Our older classes went to spend a morning working at Second Harvest Food Bank and helped rebuild City Park. They prepared "Storyland" for its reopening. These projects allowed us to look beyond ourselves and to help others in need.

\*\*\*\*\*

Another area that has been developing during the last years is a Five Year Adult Faith Formation plan. During this coming year we will be offering classes on Doctrine, what the Church teaches and we believe, providing speakers for mornings of reflection, offering Child Church, where the children are exposed to the Sunday readings on their level, and forming Faith Sharing Groups on the upcoming Sunday readings. This is in addition to the already formed Scripture Sessions who meet on Tuesday mornings. We will try to schedule this in the evening if there is enough interest. We plan to make materials available for you to update yourself and your family on what the Church teaches about the sacraments. We hope to continue to provide updated books for the book rack at the Pomona St. side of Church. Eventually we hope to put some shelves on each side of Church.

In order for us to offer websites on each of the following areas: liturgy, prayer, scripture, doctrine, sacraments, morality and social justice, we have already had two sessions of basic computer skills for adults and plan to hold at least one more to help others know how to get to these websites and become more knowledgeable about our faith.

We will continue Familia, a program for young mothers. It has been here for a few years and is a wonderful program. The group reads and discusses books that enable young mothers to deal with issues in their own families. This group meets every other Monday morning.

We hope that by offering a number of programs, activities, our Parish Mission, visiting teachers, and speakers we will spark your interest in some of the above. If we don't offer something you want, see me or call and I will bring your suggestion to the Adult Faith Formation committee. We do want to meet your needs.

\*\*\*\*\*

Our Confirmation program is underway and we have 55 students preparing to receive this sacrament during the coming year. Anyone who is becoming a sophomore this year needs to contact me at 837-9347 and begin preparing for confirmation during their junior year.

*Sr. Paula*

## welcome

While Father Ken and Father Schott enjoy well-deserved vacation time we extend a warm welcome to the Priests who will be here with us to celebrate Mass during these three weeks.

The week of June 18 for daily Mass Father Paul Desrosiers (a retired Priest), Father Anthony Fontenot (a Priest from Lake Charles who is currently on the staff at Notre Dame Seminary, and Brother Louie Couvillon (a Brother of the Sacred Heart who is on the staff at Brother Martin) were here with us.

This weekend we welcome Msgr. Winus Roeten, a retired Priest, and Father George Weber, a Vincentian Priest.

Father Desrosiers will be with us again during the upcoming week, and Brother Louie will return July 8.

We are blessed and are thankful for the assistance provided for us here at St. Angela by each of these Priests.

## Ministries' Schedules
