Dear Parishioners,

How did you do on your Lenten journey? Have you seen, through your acts of prayer, penance and sacrifice, that you can be a better person? Are you more open to listening to God in prayer? More aware of the needs of others, and how your outreach can help them? More sensitive to those who are in need of your prayerful support? If you are, then you have a special appreciation of the new life in Christ that was the goal of the journey we set out on together forty days ago. Sacrifice, repentance, conversion lead to life — for ourselves and others. As we freely unite ourselves with the sacrifice of Christ, we also unite ourselves in being, for others, the gift of salvation, bringing them new hope, new courage, new life.

Please bring to Mass next weekend your baby bottles in support of ACCESS Pregnancy Counseling Services or your rice bowl in support of Catholic Relief services. Bins will be on tables in the sanctuary for you to place your contribution before or after Mass. We will see, as the returns grow with each Mass, our Lenten sacrifice and prayer come to fulfillment.

We extend congratulations and welcome to all those throughout our Church who will share in the Easter Sacraments of Initiation this weekend and a special word of welcome to Neivan Morantez of our own community who will be Baptized, Confirmed and share in the Eucharist for the first time at the Easter Vigil.

As we see nature around us come back to life, we celebrate with joy the new life of Christ that is ours this Easter Day. On behalf of all the members of our pastoral staff, I wish you and your families a very Happy Easter!

In order that our staff may enjoy an Easter break, please remember that our parish offices are closed on Easter Monday and that there are no Masses that day. We return to our regular Mass schedule and regular office hours on Tuesday.

Please remember the two special activities that I told you about in last week's bulletin: Faith and Family Night at the Zephyrs baseball game on Saturday, April 24 and the tour of churches on Saturday, May 22.

Our parish CYO is coordinating the Zephyrs game and tickets must be ordered by Monday, April 12. Tickets are only \$7.00 each, so this could be an affordable evening for your family as you join with others of our parish family for the game.

The trip to three new churches on the Northshore is an offering of our Adult Faith Formation program and begins with an overview of the document, "Built of Living Stones." The tour, by air conditioned motor coach, includes lunch.

Please contact the rectory office for more information or to make reservations for either event.

During this Easter Season, youth of our parish will be completing their preparation for and will be sharing in Sacraments of Initiation. Teens of our parish will welcome Bishop Shelton Fabre back to our parish on May 13 as

(continued on page 2)

he celebrates the Sacrament of Confirmation. On Sunday, May 2, young people from our school and CCD programs will share in the Sacrament of Holy Communion for the first time at a Mass at 12:30 p.m.

I ask all parishioners to keep these young people of our parish in your prayers in a special way during these final weeks of their preparation for these sacraments.

On Thursday, April 15, at the meeting of our Senior Citizens Club, I will make the presentation on the master plan for parish facilities. Even if you are not a member of this club, you may still attend the presentation. The club will continue, of course, with its regular meeting schedule after this presentation. The presentation will begin at Noon that day.

There will also be presentations on the master plan on Saturday, April 24 at 9:30 a.m. in the parish Conference Room, on Sunday, April 25 in church immediately following the 11:00 a.m. Mass and the final presentation will be on Tuesday, May 4 at 7:00 p.m. in the Conference Room.

I urge all parishioners to make an effort to attend one of these meetings so that you may see the result of the good and careful work done by the parishioners who were part of the ad hoc committee developing this plan.

We mailed out to each household a few weeks ago a letter about church financial support and an intent card for the coming fiscal year. Of the 1900 mailings, we have received only 348 cards from you indicating what your financial support of your parish will be. I URGE you to complete and return this card in order that our parish Finance Council can prepare the budget for the coming fiscal year. When each of us does their part, our common efforts allows us to accomplish much.

The Scriptures put this question on the lips of each one of us, "What return shall I make to the Lord for all of his goodness to me?" Please consider this question as it applies to your financial support of your parish.

On behalf of our Finance Council, THANK YOU for your cooperation!

Dear Parishioners,

On behalf of all of our parish, I would like to say "Thank you" to all those who helped to make the liturgies of Holy Week, the Paschal Triduum and Easter such beautiful, meaningful and moving experiences of prayer. There were members of our Liturgy Committee who did the planning, the many liturgical ministers who offered their services, those who helped decorate the church for each service, those who helped set up and clean up, those who provided palms and those who helped clean and prepare them. Many hours of preparation, many hands and a whole lot of heart was put into these liturgies and the results were a blessing to all who took part in them. To those who helped in any way, I thank you all!

If you did not participate in the liturgies of Holy Thursday, Good Friday and the Easter Vigil, I think you missed a real opportunity to experience and join in some of our Church's most beautiful prayers. I hope that next year more parishioners will schedule their activities to include these moving services.

During the Parish Mission at the beginning of Lent, I sat in the section of church nearest the Blessed Mother's shrine. I admit that I don't hear too well to begin with (too much rock-and-roll coming through my headphones at way too many decibels in my teenage years!), but I really had to work at hearing Bishop Fabre's reflections. I found that particularly frustrating because I actually thought that we had addressed that problem in an earlier fix of the sound system. Obviously, I was very wrong.

And so, we have once again had some work done to try to improve the sound system in church. This work was done during Holy Week and will be in need of some fine tuning in the weeks ahead. This time we think we have found the right consultant and audio company to work with us. While there were a few glitches during our Triduum liturgies, they are ones that can be easily fixed. On the whole, I think we are moving in the right direction. Please let me know if things are getting better from where you sit!

We expect that very soon the team of carpenters Jackie Appleton and I met with before Easter will be able to be here to do some work modifying several pews in church to allow for wheelchairs to be accommodated in the pews. We will have several places in each of the three seating areas of church for those with wheelchairs or walkers to be able to sit with the rest of the assembly and to sit with their families. I hope that this new accessibility will make all feel more welcomed in our community and comfortable at our community prayer.

(continued on page 2)

(continued)

We are now looking into the possibility of making at least one door to the church fully handicapped accessible. This may take us a little time, so I ask your patience on this new project.

On Thursday, April 15, our Senior Citizens Club will sponsor, as they do each year, a Morning of Reflection, to which all parishioners are invited. It begins with Mass at 8:30 a.m. and continues until Noon.

This year's speaker will be Sister Judith Gomilla.

Please remember to keep in your prayers the youth of our parish who will be celebrating their First Holy Communion on Sunday, May 2, and those teens of our parish who will welcome Bishop Shelton Fabre back to our parish for their reception of the Sacrament of Confirmation on Thursday, May 13.

As I have mentioned to you before, I currently continue to serve as the ecclesiastical master of ceremonies for the Southeastern Lieutenancy of the Equestrian Order of the Holy Sepulcher of Jerusalem, a group whose special mission it is to support the Christians in the Holy Land.

I will be attending the annual meeting of this group next weekend. I will be leaving the parish on Thursday, April 15 and will return on Tuesday, April 20.

If you have a little room in your prayers, please pray for safe travels for me and all who will be attending this meeting.

We begin again our sessions to explain to you the proposed new master plan for our parish campus.

Our architect and I will be making this presentation at the Senior Citizens' Club meeting on Thursday, April 15 at Noon. You do not have to be a member of the club to come to this part of their meeting!

There will be another presentation on Saturday, April 24 at 9:00 a.m. in the parish Conference Room, repeated on Sunday, April 25 in church immediately following the 11:00 a.m. Mass.

Dear Parishioners,

During the Easter Season, the First Reading at Mass is not from the Old Testament, as it is during the season of "Ordinary Time." Instead, these readings are taken from the New Testament, from the Acts of the Apostles. For the seven weeks of Easter, we hear the story of how the Resurrection and Ascension of Christ affected the lives of the Apostles and the early Christian community. We hear exciting stories of the Church's birth and growth. We hear how the emboldened followers of Jesus, filled with joy and hope, take the message of Christ to new ears, to new minds, to new hearts. We hear how the apostles and the communities they founded responded to the needs of those who heard and heeded their preaching. Each year, I find these readings newly exciting and energizing, and I hope that you will too!

We are called to be people of the Resurrection: filled with hope, with joy, with enthusiasm. We are convinced of the loving power of our God and the good news of salvation handed on to us. We are now called to build a community of love, support, courage and hope for all.

Let us listen attentively to the readings of this Easter Season, both on weekdays and on Sundays, and renew our conviction of all that we can do when we work together in joy, in hope, in mutual support and care. Easter people, I believe, live in constant hope and therefore see a brighter future that *we* can create when we walk in the light of Christ!

We extend sincere congratulations to one of our parish custodians, Alberto Corrales, who passed his citizenship test this week and has been sworn in as a new citizen of the United States! Alberto has truly become a member of our St. Angela family, and we congratulate him on achieving this goal he pursued so diligently.

Our SAM students will perform their annual school play this week. "The Wizard of Oz" will be performed on Thursday and Friday nights at 7:00 p.m. and on Sunday afternoon (April 25) at 2:00 p.m., all with open seating. Saturday, April 24, is Dinner Theater night, with more limited seating, with dinner beginning at 5:30 p.m. Tickets may be purchased through the school. For more information, contact the school office at 835-8491.

Our young people have been working very hard on this project and would appreciate your supportive presence at one of the performances.

(continued on page 2)

(continued)

Please remember that "Faith and Family Night" at the Zephyrs game will be this coming Saturday, April 24. Our CYO is coordinating this event for us and Fr. Peter and I will both be attending and we have invited our Senior Servers to join us. Orders for tickets must be made through the parish office by 4:00 p.m. on Monday, April 19, as we have to place our ticket order with the Zephyrs on Tuesday of this week. The game begins on Saturday at 6:00 p.m. There will be a concert following the game, with a band offering contemporary Christian music. If that's not your night at the school play, this offers you another opportunity for wholesome family entertainment and time to relax with members of your SAM family as well!

There are three remaining sessions for you to hear about the master plan for our campus, as developed by an ad hoc committee of the Pastoral Council:

- Saturday, April 24 at 9:30 a.m. in the Parish Conference Room
- Sunday, April 25 in church, immediately following the 11:00 a.m. Mass
- Tuesday, May 4 at 7:00 p.m. in the Parish Conference Room

Thus far, feedback from parishioners has been very positive and we hope this will continue as more of you see these plans and hear them explained.

I certainly hope that you are keeping in your prayers the young people of our parish who share in Holy Communion for the first time at Mass on Sunday, May 2 and the youth of our parish who will welcome Bishop Shelton Fabre on May 13 as they receive the Sacrament of Confirmation.

By the way, the First Communion Mass will be on May 2 at 12:30 p.m. and we would welcome any parishioners to join us for this joyful liturgy!

NORTH SHORE CHURCH OUTING

As Fr. Ken mentioned in his article recently, we are planning a trip to visit 3 new churches on the north shore on May 22. Good news! We are not using a school bus for this trip. We will have a nice air-conditioned coach. We will also have lunch at a restaurant in Madisonville. All of this is included in the \$50. fee for the day.

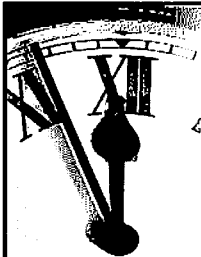

We will begin with Fr. Ken telling us about the churches and their planning, go to Mary Queen of Peace in Mandeville, then on the Madisonville for a visit to the church. We then stop for lunch at *Friends* before heading to Our Lady of Lourdes in Slidell. We will be back here in time for 4 pm Mass. All are invited but bus space and restaurant space are limited to 25, money is due by April 22.

Our Lady of Perpetual Help Novena: Tuesday, following 8:30 A.M. Mass

Confessions: Saturday, 5:30 P.M. to 6:00 P.M., or by appointment

Dear Parishioners,

There are two sessions remaining for you to hear about the master plan for our campus, as developed by an *ad hoc* committee of our Pastoral Council: today, immediately following the 11:00 a.m. Mass in church and Tuesday, May 4 at 7:00 p.m. in the parish Conference Room. A member of the architectural firm that worked with us on the development of this plan and I will each make a presentation and there will be time for your questions and comments.

I remind you that, at this time, presenting and explaining the plan is all we are about. This committee was set in place to *develop* the plan, and that is what they have done. Their work was accepted by the Pastoral Council as the completion of the goal that was set in our planning process of Catholic Life 2007.

Should this plan (as we hope!) meet with your approval, we may want to discuss further development toward the implementation of the plan in the goal-setting we will do in January, 2011, following the next round of needs assessments that will take place this Fall. But more about that part later in the year!

Also, remember that the final performance of the school play, *Alice in Wonderland*, is this afternoon at 2:00 p.m. in the Msgr. Kern Center.

On Sunday, May 2, young people from our parish will celebrate their First Holy Communion – always a joyful day for our children and their families. But this is also an important day for all of our parish, as we support these young people as they advance on their journeys of faith, and as we pledge our continuing support to their parents and godparents as we build with them a parish community truly reflective of the life, the love and the presence of Christ.

The **First Communion Mass** will be on **Sunday, May 2 at 12:30 p.m.**, and we certainly want all parishioners to know that you are invited to join our First Communion children and their families for this Mass.

If you are not able to be with us for this joyful celebration, we hope that you will remember these children in your prayers at whatever Mass you participate in next weekend.

There are still openings for our trip to tour three new churches on the Northshore on Saturday, May 22: Mary, Queen of Peace in Mandeville, St. Anselm in Madisonville and Our Lady of Lourdes in Slidell. This will be a special opportunity, since Our Lady of Lourdes Church would just have been dedicated one week before our visit, so we will be among the church's very first visitors.

(continued on page 2)

(continued)

This is an adult learning opportunity to learn about contemporary church design as found in the document of the United States Bishops, *Built of Living Stones*. We will begin with a presentation in the Conference Room, then go by car to the three churches for a discussion of their implementation of this document.

We will also have lunch during the day and we will return in time for the 4:00 p.m. Mass that afternoon.

Our early response to the trip led us to give up the idea of a nice bus ride for all. So now we are looking for drivers who are willing to transport 3 or 4 others on this trip. Since we have limited room for lunch, 25 total, we are looking for a total of 6 cars. The cost for the tour will be \$20.00 per person. Lunch is at *Friends* and will be soup, salad, beverage and dessert. This is included in the \$20.00.

If the original cost was a reason for you not joining us and you would like to come please call and make your reservation by calling Sr. Paula at 837-9347 or the rectory, 835-0324.

Married couples: don't miss out on the evening planned for you by our Family Life Apostolate: dinner and a presentation by another married couple in a relaxed but elegant setting, May 1, 6:30 p.m., Msgr. Kern Center. Past gatherings like this have been very successful and enjoyed by those who participated in them. Call the rectory for a reservation.

Part of my outside-the-parish responsibilities is to serve as one of the Archdiocesan representatives to the Federation of Diocesan Liturgical Commissions. This organization is currently planning educational sessions for those who will lead their dioceses in the implementation of the Third Edition of the Roman Missal. I will be out of the parish this week from Thursday until Saturday to attend a workshop on the revised Missal. Please keep me in your prayers for safety in my travel. If connecting flights are on time, I will be back in the parish for the evening Mass on Saturday, May 1.

Dear Sisters and Brothers in the Lord,

The Archdiocese of New Orleans will take up a collection for the Catholic Home Missions Appeal. Catholic Home Missions is committed to providing poorer dioceses in the United States with the support they need to sustain essential pastoral care. Over the years, the Appeal has supported religious education, evangelization, youth ministry, seminarian education, and ministry training in mission dioceses in Alaska, Appalachia, the Southwest—all across the United States—as well as in Puerto Rico and U.S. territories in the Pacific islands. This important work is made possible through your generosity to this yearly Appeal.

One tangible way to strengthen the Church is through vibrant youth ministry programs in dioceses and parishes. Through youth ministry, young Catholics are evangelized, catechized, trained in leadership roles, and encouraged for religious vocations. The young faithful energize the Church and provide a unique vision for the future. Without the Catholic Home Missions Appeal, this essential ministry would not be possible in many mission dioceses in the United States.

I ask that you be generous in this year's Appeal. As we continue to recover from the economic downturn, it is important to remember our Catholic brothers and sisters in the United States whose dioceses are financially fragile even in the best of times. The Church in the United States needs our support. Together, we can strengthen the Church at home.

Sincerely in Christ,

Most Reverend Gregory M. Aymond, D.D.
Archbishop of New Orleans

Dear Parishioners,

Today is a very special day for young people of our parish, as they gather at Mass at 12:30 p.m. to celebrate their First Holy Communion. We join together to congratulate these children and their families. We thank their parents and godparents for continuing to guide them in their life in the Church. We pray for them, that this first of a lifetime of Communions will deepen their love for Christ, their assurance of his real presence in their lives and their assurance of the constant support of our community of faith.

We also join to thank the school and CCD teachers and Sr. Paula, our DRE, who guided them in their time of catechetical preparation for their sharing in this Sacrament.

We will keep these young people in our prayers at all of our Masses this weekend.

This is also a very special weekend for parishioners Kathleen and Billy Steen and Linda and Bob Armbruster as they receive from Archbishop Gregory Aymond the Medallion of the Order of St. Louis.

I will share with you in next week's bulletin more information about the Armbrusters and the Steens and some information about several teens in our parish recently honored.

The final session for you to hear about the proposed master plan for our campus, as developed by an *ad hoc* committee of our Pastoral Council, will be on Tuesday of this week, May 4, at 7:00 p.m. in the parish Conference Room. A member of the architectural firm that worked with us on the development of this plan and I will each make a presentation and there will be time for your questions and comments.

I remind you that, at this time, presenting and explaining the plan is all we are about. This committee was set in place to develop the plan, and that is what they have done. But more about that part later in the year!

There are still openings for our trip on Saturday, May 22 to learn about the document of the Bishops of the United States about church design and furnishing, *Built of Living Stones*, and to tour three new churches in our diocese to see how they implemented the instructions of this document. We will also have lunch during the day and we will return in time for the 4:00 p.m. Mass that afternoon.

In order to lower the cost significantly to make this opportunity more open for our parishioners, we will be using cars instead of a bus. The cost for the tour will be \$20.00 per person. This includes lunch at Friends Restaurant in Madisonville during the day. Because of restaurant accommodations, we are limited to 25 people, so please call soon to make your reservation.

Archbishop Gregory Aymond has asked all parishes to participate in a postcard campaign to our members of Congress, supporting and joining with the Bishops of the United States in their call for comprehensive immigration reform.

The position of the Bishops is this:

In January, 2003, the U.S. Bishops outlined principles for comprehensive immigration reform in their pastoral statement, *Strangers No Longer: Together on the Journey of Hope*. They state that any just immigration reform should include the following elements: 1) a broad-based legalization of the undocumented, which includes a path to citizenship; 2) a worker program which creates legal avenues for migrants to enter the United States legally and safely and which includes labor protections for both U.S. and foreign workers; 3) reform of the family-based immigration system to reduce waiting times for family reunification; 4) the restoration of due process for immigrants, taken away in 1996, so immigrants can have their day in court; and 5) policies which address the roots causes of migration, such as unemployment and underemployment in sending countries.

This weekend (May 2 and 3), a packet of prepared post cards will be available at the doors of the church. You need only fill in your name and address, the names of our Senators and Representative and return the card to the tables where you picked them up when you come to church during this week or next weekend May 9-10. We will bring the completed cards to the Archdiocese, and they will take care of getting them to our Congresspersons.

Archbishop Aymond feels that this is an important issue that Congress will be discussing and seeking to address in the months ahead, and feels that now is the opportune time for your voice to be heard in solidarity with our Bishops. Please consider participating in this postcard campaign.

For more information on this issue, please go to the *Justice for Immigrants* website, www.justiceforimmigrants.org.

During Lent, many of you participated in our parish Lenten project, praying and fasting for two special causes. As a result of your sacrifice, we have sent \$3,594.97 to ACCESS Pregnancy Counseling Services and \$2,798.91 to the Rice Bowl project of Catholic Relief Services.

Dear Parishioners,

HAPPY MOTHER'S DAY to all the Moms in our parish. Please be assured of our special prayers for you at our Masses this weekend. We will also hold in our prayers our deceased mothers,

This week, 47 of our young people will receive the Sacrament of Confirmation. We welcome back to St. Angela Bishop Shelton Fabre, who will minister this Sacrament, and we congratulate our young people on this step of growth in their journey of faith.

Last Sunday, Bob and Linda Armbruster and Billy and Kathleen Steen received the recognition of the Medallion of the Order of St. Louis for their many years of faithful service to our parish.

Linda and Bob were originally members of St. Louis King of France Parish, but became founding members of St. Angela Merici when our parish began, now nearly fifty years ago. Bob worked with the Building Drive of their new parish, visiting door-to-door to receive pledges from parishioners so that temporary facilities could be acquired and our permanent ones built. Bob and Linda had two sons, both of whom attended school here at St. Angela. Linda volunteered in those early days as a "milk mother," bringing milk for lunch, since the children ate in their classrooms. She also served as a Room Mother while her boys were in school. Through the years, both Linda and Bob helped at the parish Fair and became booth chairpersons.

Each Summer, parishioners volunteer to come in and paint classrooms – a rather long-standing tradition in our parish we know, since Bob did this during Father Joe Colluta's time as pastor.

Over the years, both Bob and Linda served as Readers at Mass. Currently, Linda is a member of the choir, singing each Sunday at the 11:00 a.m. Mass and participating in weekly rehearsals. Bob is a minister of hospitality at the 11:00 a.m. Mass each Sunday. Linda maintains her membership in SALA and Bob in SAMA.

This year, Bob and Linda served together as parish sponsors in our RCIA process, helping to lead new members into the life of our Church and our parish.

Kathleen and Billy Steen moved to St. Angela in 1987, shortly after they were married and they jumped into SAM life with both feet! Kathleen volunteered as a CCD teacher and taught in our CCD from 1988-1992. She also taught religion in our parish school, teaching the 5th-8th graders during the 1989-1990 school year. She also helped with Summer Safari from 1988-2005, teaching in that program. Kathleen served one term on the School Board, from 2004-2007. Their three children, Amanda, Thomas and Elizabeth all attended St. Angela School and Kathleen was active as volunteer during those years, serving as a Room Mother, coordinator for classroom volunteers for the Second Grade, worked with Space Camp and the St. Joseph Altar. Kathleen has, over the years, been active with Co-Op, Familia and our Family Life Apostolate. Most recently, Kathleen has been very active with adult leadership for our CYO program, helping to get that ministry revitalized two years ago. She is on the CYO Board and has been involved with CYO World Youth Day, Bowling Tournaments, retreats and the sports program. Kathleen also recently began again teaching our Confirmation preparation program. Billy is an active member of SAMA. He served for fourteen years(!) on our Pastoral Council (eight years in the 1990's, six years from 2004-2009) and was chairperson of the Council for four years, from 1996-2000. He has also served as a member of the School Board, 2000-2003. Billy coached SAM Grammar Ball, which began as basketball, from 1998-2004 and also coordinated that program from 2002-2004. He has been the Athletic Director and coach of SAM CYO, 2007-2010, and now teaches Confirmation preparation with Kathleen. Billy also serves as a minister of hospitality at the 9:30 a.m. Mass, as he has done for the past eight years.

(continued on page 2)

These two couples, as you can tell, love St. Angela Parish and its people and have blessed us richly with their presence, their care and their leadership over the years.

This rich legacy of service is being maintained by some very generous young people in our parish and recognized on a diocesan level as well!

Nicole Morise was selected as this year's outstanding Altar Server. Now a Senior in High School, Nicole has been serving at the altar since 2002. In addition to her faithful service at Mass on weekdays (while attending school here at SAM) and now on weekends as a Senior Server, Nicole has been very generous in serving funerals of parishioners in church and serving at liturgies during Holy Week, the parish Mission and the liturgies of the Paschal Triduum. Nicole attended the special Mass sponsored by the Serra Clubs of New Orleans where she received the Altar Server Award for our parish.

On Sunday, April 25, several of our young people were recognized at St. Louis Cathedral. The Outstanding Catholic Youth Award for our parish was given to Valerie Bergeron, Nathan Coussou and Ronnie Drez.

The Matt Hill Award is given to only one teen boy and one teen girl in the Archdiocese who show dedication, good sporting spirit and Christian leadership while participating in the CYO athletic league. Nicole Delesdernier of our parish was one of the Archdiocesan recipients of this recognition.

The final award given at this ceremony was the St. Timothy Award, given to a few young people nominated from their parishes for their outstanding example of Christian leadership in their parish, their school and on the Archdiocesan level. Alex Wolff of our parish was one of the teens given this very special recognition.

We congratulate all of these young people and want them to know how proud we are of them, and how much we look forward to their continued involvement and leadership in the life of our parish and our Church!

May the generous leadership and sharing of talents of these adults and youth alike inspire more parishioners to come forward in sharing their talents as we seek to build together the reign of Christ in our little corner of the world!

Dear Parishioners,

As I write this note to you, we still have a few openings for the tour of churches on Saturday, May 22, and I really think that you should consider joining us. This is more than merely a visit: it is a learning opportunity for adults interested in church design, church architecture and sacred art.

As you may know, one of my outside-the-parish ministries is to serve as a liturgical consultant on the design, renovation and decorating of churches in our Archdiocese. So, we will begin our day at 9:00 a.m. in the Conference Room, where I will share with you the basic principles of church design and furnishings as we find them in recent Church documents, especially the documents, *Built of Living Stones*, published by the United States Conference of Catholic Bishops.

Then, we will have the opportunity to see how these principles were executed at three new churches in our Archdiocese: Mary, Queen of Peace in Mandeville, St. Anselm in Madisonville, and Our Lady of Lourdes in Slidell. I served as liturgical consultant on the Mandeville and Slidell churches and they were designed by Kieran Weldon of Fauntleroy and Latham Architects, who has developed with us our proposed new master plan for our campus.

The extra treat in this (other than hearing me speak, of course!), is that Our Lady of Lourdes Church has just been dedicated (May 15), and so we will be among the first to see this new church, replacing one that was destroyed by Hurricane Katrina.

We will have lunch (seafood gumbo, salad, coffee or tea and dessert) at Friends on the Tchefuncte Restaurant in Madisonville and expect to be back in the parish in time for the 4:00 p.m. Mass Saturday afternoon. Cost for the entire day is \$20.00 person.

We will be car-pooling and the restaurant is limiting seating for lunch, so if you'd like to join us, please telephone Sr. Paula at 837-9347.

It's something of a whirlwind of activity for the next several weeks as our school year comes to its conclusion. Pre-K3 has its end-of-the-year party this Tuesday and Pre-K4 follows on Wednesday. Kindergarten students have their party on Thursday and their Promotion Ceremony will be on Friday morning. The end of the year Mass for our school community will be on Wednesday, May 26 at 10:00 a.m. and 7th Grade Promotion follows that afternoon at 1:00 p.m. The school Awards Assembly will be on Friday of that week and dismissal for all students follows at 11:30 a.m.

(continued on page 2)

We have certainly missed the daily presence of our Principal, Colleen Remont, as she continued to be treated for her illness, but have seen her pretty regularly during the year and have been bolstered by the good news that she is responding well to treatments and is on the road to remission and recovery, and should be back full time when the school offices re-open later this Summer. Special thanks to Joan Madere for her good work as our Acting Principal!

On the whole, this has been a very good school year. Our children learned, as the theme of this year challenged them, how to "Put Your Best Foot Forward." Now they can take the values implied in that challenge, and their new learning on how to meet the challenge, into all of their Summer activities and family life.

We have now completed the series of seven sessions, sharing with you the proposed master plan for the continuing development of our parish campus to meet the needs of our parish organizations, and ministries (including our school ministry). I am very happy to share with you the *very* good news that the proposal was very well received by all who participated in these sessions. In fact, no negative views were expressed at any of the meetings, and there even was some enthusiasm for trying to implement the plan sooner rather than later.

I estimate that the sessions were attended by about 600 parishioner altogether, and so hearing positive comments from that many folks was extremely encouraging!

This completes the goal set by the Pastoral and Finance Councils and School Board: that we continue aggressively to retire the parish debt and develop a new master plan for our campus to meet current and anticipated future needs. It is my firm hope that, when we begin a new round of needs assessments this Fall, we will hear a call for us to proceed with the implementation of the plan and projecting a time-line for that implementation, but we shall see!

When things quiet down just a bit after school ends, I will put the information about the master plan on our parish web site, and I'll let you know when that material appears there, particularly for the benefit of those who were not able to be at any of the meetings.

Dear Parishioners,

The Holy Spirit is the living and real presence of the Risen Christ in the Church and the world today. The Holy Spirit is the presence of God's consolation, the insight of God's wisdom and truth, the clarity of God's direction for our lives, the inspiration of God's challenge to us, the bearer of divine blessings as we respond to that challenge. "Know that I am with you always," Jesus promised. The Holy Spirit is that promised presence.

As we come together to celebrate the coming of the Holy Spirit upon the Apostles that first Pentecost Day, let us embrace that same Spirit, given to us in Baptism and fulfilled in the Sacrament of Confirmation. Let us not only accept the gifts of the Holy Spirit but, on this day, pledge anew to use the gifts of that Spirit to renew the face of the earth by bringing renewed energy, joy, hope and commitment to our parish community in this little corner of God's earth, already entrusted to us.

"Come, Holy Spirit, enlighten the hearts of your faithful and enkindle in us the fire of your love." This is a beautiful and traditional prayer of our Church for this feast day. Let us each make it our own prayer and, with that enkindling fire, burn with new zeal to live, truly LIVE, in the St. Angela Merici family of faith!

On this feast of Pentecost, please remember, there is a collection for the Holy Father. Pope Benedict, as those Popes who preceded him, will use these funds so that our Church may respond to emergency situations throughout the world and will also help fund future travels by the Holy Father as he personally brings the message of Christ to the ends of the earth. Please contribute with your customary generosity.

School comes to a close this week for our students at St. Angela Merici. The end of the year Mass will be on Wednesday of this week, beginning at 10:00 a.m. in church. Our school year began with a Mass, asking the Holy Spirit to be with faculty, students and families and to bless us with a fruitful and successful year. Now we gather to give thanks to God for the blessings that have been given to all these past months.

We certainly hope that not only school parents but other parishioners who are able, will join us for this closing Mass and will celebrate with joy and praise to God for the success of this year's ministry in our school.

The Promotion Ceremony for our 7th-Graders will follow that afternoon at 1:00 p.m. in the Center as we send these young people to their new pursuits in high school.

(continued on page 2)

The final awards assembly for our other students will in the Msgr. Ken Center, beginning at 9:00 a.m. on Friday, May 28, which is the last day of school for this term.

We thank the members of our school administration and our faculty for their good and caring leadership throughout this school year. We also thank members of the School Board for their good counsel to Mrs. Remont, Mrs. Madere and me during the year. We thank the members of Co-Op for all they do in support of our school. And, we thank our many, many parent volunteers for their valuable assistance.

We wish our students a relaxing and refreshing Summer. For those going on to high school or those leaving our SAM family, we wish you well in your new schools next year. For all the others, we look forward to seeing you back in school in August!

Have a great Summer!

Our efforts to continue to improve our facilities has hit a bit of a snag. Now that the sound system in church has been worked on (though a little more adjustment will need to be made), our next step was to modify some of our pews to allow for handicapped seating.

We received the cost estimate from some qualified carpenters for this project, but that was higher than we had anticipated and more than current funds allow. We will be seeking another bid for this project, and I'll let you know how that goes.

Work on the sidewalk extension near the Annex is scheduled to be done in June.

Dear Sisters and Brothers in the Lord,

In April 2008, Pope Benedict XVI made a historic journey to the United States. During this time, he made a call to action for the Church in the United States:

"In the finest traditions of the Church in this country, may you also be the first friend of the poor, the homeless, the stranger, the sick and all who suffer. Act as beacons of hope, casting the light of Christ upon the world."—Pope Benedict XVI, Homily at St. Patrick's Cathedral, New York, April 19, 2008

Every year, when the Peter's Pence Collection is taken up around the world to support the works of the Holy Father, Catholics in the United States are extraordinarily generous. The proceeds of this Collection are used to provide emergency funds to those who suffer from oppression, disease, war, or natural disaster.

Let us be beacons of hope to those of our brothers and sisters who are most in need. Let us answer the call to cast the light of Christ upon the world. I ask you to be generous in the upcoming Peter's Pence Collection in your parish. Together, let us ask the Lord to bless the Holy Father, us, and all those in need throughout the world.

Sincerely in Christ,

Most Reverend Gregory M. Aymond, D.D.
Archbishop of New Orleans

Dear Parishioners,

Your neighbors need you!

As we announced in church two weekends ago, Archbishop Gregory has asked that a special collection be taken up to allow Catholic Charities of the Archdiocese to continue to assist the people of the Gulf Coast communities of Louisiana in the face of the worsening oil spill. As the Archbishop said in his letter to us, Catholic Charities has been on the scene from the beginning of this tragedy to provide counseling, financial aid and food to those already seriously affected. Your financial support will allow those services to continue.

There will be a second collection this weekend (May 29-30), and we ask your most generous support. This disaster is threatening the very way of life for those involved in the fishing and tourism industries of the coast, and we can help.

Also, our parish food bank is seriously low. With the economic downturn lingering, the members of our St. Vincent de Paul Society have been called upon by more people in our neighborhood than ever before. We have been providing emergency financial assistance and non-perishable food item to more families than we used to. During the month of June, I ask you to consider bringing one or two canned or boxed food goods to church when you come to Mass each weekend. If everyone helps out a little bit, we will be able to help many in the weeks ahead.

You heard the appeal from members of our parish Finance Council last weekend, and I join them in urging your cooperation with our annual stewardship appeal.

It is time for us to finalize a budget for the parish for the new fiscal year that will begin on July 1. Back in February, I sent to each registered family a letter and a response card, asking you to let us know what your regular financial contribution to your parish will be beginning July 1 and continuing through that fiscal year. Regrettably, only 20% of parish families returned their intent cards. If we do not know how much we will be receiving in church support, we cannot budget accurately. That is why we need your cooperation.

Also, you know that your household expenses rise each year. So, too, do the expenses of your parish. I ask that you consider an increase in your parish financial support. We told you that this year's budget was based on a weekly income from the Mass collections to total \$16,000.00. If you are in the habit of looking at the weekly reporting here in the bulletin, you will know that collections have been off. In response, we have done our best to monitor and reduce expenses. We have done pretty well with that, but at this point we are in a deficit of about \$8,000.00 and we still have six weeks remaining in this fiscal year.

If next year's collections do not project an increase, we will have to look to cut items from the budget or seriously reduce expenses in some areas. But, of course, we do not want to resort to that unless we have to. By completing and returning your intent card, we will have a better idea what to plan for.

(continued on page 2)

We have provided a copy of that form here in the bulletin – on the fold-over page. If you did not complete the intent card mailed to you a few months ago, please take a moment to clip and complete this form. Place it in the collection this weekend – with your financial contribution, of course! – so that we can process the returns quickly and proceed with budget planning.

This is important, so please take a few moments to show your financial support of your parish and its ministries.

Father Peter is out of the parish this weekend, participating in the ordination and Mass of Thanksgiving of a close friend of his in Kansas City.

We congratulate Fr. Jim Schott on his birthday today (May 30) and our music director, Peter Weilbaecher, on his birthday on Tuesday of this week and Fr. Peter on the 5th anniversary of his ordination on Friday.

The "Year of the Priest" ends on June 19 with a "Meeting of Priests" with Pope Benedict in St. Peter's Square. During this year, you were asked to pray for the growth in holiness of all of us who serve you as priests. Many of you committed yourself to a regular offering of prayer and many special activities for priests were held during the year, as people showed appreciation for the ministry that priests offer each and every day.

Father Peter and I join together to thank you, the people of St. Angela Parish, for your prayerful support this past year. We thank you for your daily acceptance of us and our ministry. We appreciate the kind gestures and words you have offered us way before as well as during this Year of the Priest.

At the recommendation of one of our parishioners, we would like to bring this Year of the Priest to a close here in our parish. We will take up a special collection to send Father Peter and me to Rome . . . **JUST KIDDING!!!**

Actually, we are suggesting that you send an "End of the Year of the Priest Thank-You Note" to one priest who has served you and your family well over the years, whose example of spirituality and holiness and faithful ministry has in some way touched your life personally or the life of your family.

I will say a bit more about this in next week's bulletin and we will provide you with a sample note as well.

Dear Parishioners,

Please remember each weekend to bring a non-perishable food item for our food pantry!

WELCOME, SUMMER SAFARI! Our annual Summer Bible Camp begins this week. We welcome the young people who will be participating in Safari, having fun as they learn about the Scriptures. We welcome and thank the adult and teens who provide the leadership for this activity.

Because of the Memorial Day holiday and an earlier schedule for printing and mailing the bulletin, I do not have for you the results of the special collection for the support of Catholic Charities relief services to the people of the Archdiocese on the Gulf Coast for oil spill assistance or the results of our appeal for stewardship intent cards. I will have that for you in next week's bulletin.

As you know, all of our parish activities are planned and scheduled on the school year calendar. We plan our full parish calendar to begin in August and end in June. We do not schedule any activities or meetings for the other six weeks of the Summer to allow for ordinary maintenance on all campus buildings in preparation for the new school term. Thus, elected and appointed officers of organizations and members of our main Councils begin their terms in August and end terms in June.

Several members of our Pastoral Council, Finance Council and School Board have completed their time of service and will no longer be serving. Donna Palmisano and Greg Corrente will be leaving the School Board. Billy Robinson, Rob Whitaker and Janice Wolff are completing their terms on the Pastoral Council and will be leaving that service. I want to thank these parishioners for their faithful, dedicated and generous service to our parish. Their work in leadership on our Councils has enriched us all.

Mia Corrente, Billy Steen, Pam Pendzimaz, David Barbier and Martha Toups have all agreed to a second term on the Pastoral Council. Larry DeBlieux and Ferd Schaff have accepted a second term on the parish Finance Council and Paul Armbruster and Peggy Lulich will serve another term on the School Board. I am very grateful to these folks for their willingness to continue to serve all of you on these consultative councils.

I want to welcome those who will begin new service in August: Judy Abadin and Nancy Chase on the Pastoral Council and Sharon Hamblin and Cliff Hardeman on the School Board. I look forward to working with them and benefiting from their counsel.

People who serve on these councils have to be able to see the "big picture" of parish life. They help to develop, set and evaluate progress on our parish goals. They help to determine parish practice and, each with their special focus, help us to make certain that we are progressing in our effort to continue to build up the reign of Christ in our parish community. They put in lots of time and energy into our parish and we all owe them our gratitude.

(continued on page 2)

Both Fr. Peter and I, like many of you, will be taking time off this Summer for our vacations. Some weeks ago, the Archdiocese informed pastors that a priest from Uganda, who had studied here at Notre Dame Seminary, was traveling back here for his vacation in order to have the opportunity to visit his classmates and other friends in the area. He was looking for a rectory to stay in during his visit to the States and was available to assist with sacramental ministry in exchange for room and board. We have contacted this priest, Father Philip Odii, and he will be spending the month of July here at St. Angela, filling in for Father Peter and me while we each are away. Father Philip will probably arrive at the end of June. I will share more information about him as his time with us nears.

In last week's bulletin, I mentioned that, based on the suggestion of one of our parishioners, we would bring the "Year of the Priest" to a close by inviting you to write just a brief note of thanks to one priest who has ministered in a truly Christ-like way to you or your family. That note might go something like this:

Dear Father,

During this "Year of the Priest" we have joined together to pray for the continued growth in holiness for all of our priests. As this year of prayer comes to a close, I would like to thank you for the holiness of life, for the Christ-like ministry that you shared with me/my family. (Here you would mention specifically the event/service/teaching that this priest shared with you.) Please be assured of my gratitude for your priestly service and my prayer that you will continue to stand in the person of Christ for many more people in the years of priestly service ahead.

Sincerely,

If you should need help finding the current address of the priest you would like to write, please contact the rectory.

Dear Parishioners,

THANK YOU for your concern for our neighbors!

The special collection for Catholic Charities to continue to provide emergency assistance to the people of Gulf Coast of our Archdiocese was a very generous \$ 7,217.50

By the end of the weekend, the food collection boxes in church were overflowing, making a great start at replenishing our parish food bank.

That's the good news. The not-so-good-news is that, sadly, the tragic oil spill continues and more and more people's lives are being negatively affected. When those who fish do not have adequate income, the merchants in the area begin to suffer. When merchants sell less, their suppliers need to bring less. When no one is shopping, workers at stores are not needed. The same sad sentence could be reiterated by those who find their jobs in the tourism industry. Please keep our neighbors on the Coast in your prayers each day. Pray as Archbishop Aymond has asked us, this simple but sincere daily prayer: "Through the intercession of Our Lady of Prompt Succor, may God protect the people and the environment of the Gulf Coast."

While the shelves of the food bank are filling up, the need continues. In recent months, the members of our St. Vincent de Paul Society have been assisting a record number of people. Full shelves will not remain full for long, and so I urge you to continue each weekend this month to bring a few non-perishable food items to church. We need our pantry's shelves not to be full, but to overflow.

We're going to give this one more try: Way back in February, I sent a letter to each registered family of our parish, sharing with you the importance of your faithful financial support of your parish. With that letter was a card, which I asked you, on behalf of our parish Finance Council, to complete and to return so that we could begin to budget for the fiscal year that will begin on July 1. We received back information from about 20% of our parish households. So, several weeks ago, members of our Finance Council spoke at each of the Masses, asking those who had not yet responded to do so, as the new fiscal year is rapidly approaching. We reproduced in the bulletin two weeks ago a copy of that intent card and made more cards available in church. Unfortunately, returns still have not been very good. From the appeal in church and in the bulletin, we have received only about 61 more responses. **PLEASE**, if you have not yet done so, complete the information at the end of my column, clip it and return it in the collection this weekend.

If you read the bulletin regularly, you have seen that our collections have been down for the past several months. While we occasionally have a "good" weekend, most of the time the collection has been in the \$11,000 to \$12,000 range each week.

(continued on page 2)

That is well below our budgeted 2009-2010 weekly projection of a \$14,000 to \$16,000 weekly income from the collection. Thus far, we are running a deficit of about \$7,000 for the current fiscal year. The reason we are only that much behind, in spite of the lower than anticipated collections, is that we simply have not done some of the things for which we had budgeted – e.g., fewer adult faith formation opportunities, fewer ministry formation sessions, deferring some improvements to, and ordinary repair of parish facilities.

To make certain that we can budget rightly for the next fiscal year, we need to have a good idea of anticipated revenue. If you can increase your offering in the new fiscal year, that's wonderful. If you cannot, that is certainly understandable in these difficult financial times. But, either way, your Finance Council needs to know. If each of us do our conscientious part, we'll be OK. Can we count on you?

WELCOME, SUMMER SAFARI, Week 2! Our annual Summer Bible Camp continues this week. We welcome the young people who will be participating in Safari, having fun as they learn about the Scriptures. We welcome and thank the adult and teens who provide the leadership for this activity.

To Ken

In support of my parish of St. Angela Merici, its activities and ministries, it is my intention to contribute in the fiscal year of July 1, 2010 through June 30, 2011 this regular offering:

\$ _____ per _____
(e.g.: "\$25 per week" if you will give weekly;
"\$100.00 per month" if you plan to contribute monthly)

Name _____
Address _____
Phone _____
Envelope No. _____
e-mail _____

I understand this does not include offerings to special world-wide and diocesan appeals made in a second collection, which are not counted as "parish ordinary income".

PLEASE RETURN THE WEEKEND OF June 12/13

- ☐ I do not currently receive envelopes. Please send them to me.
- ☐ Please send me information about Direct Debit for my contributions.

Dear Parishioners,

HAPPY FATHER'S DAY to all the fathers, grandfathers and godfathers in our parish community! Please be assured that we will keep you in our prayers in a special way at all of our Masses this weekend.

We also hold in our prayers deceased fathers, that the God and Father of us all will welcome them to his heavenly home.

I want to offer this follow-up to our final request for your completing the parish financial intent forms that we made available several times these past weeks.

We currently have 1952 households registered as parishioners here at St. Angela Merici. Of these, 996 households are what we call "identified contributors," that is, they either contribute financially to the parish by automatic debit from their bank accounts, use the church support envelopes or make contributions by check, thus allowing us to keep record of name and address. During the course of this intent appeal, 484 households responded. That means that, of all our registered parishioners, 25% have indicated to us how we can rely on them for our ordinary parish income through the collection.

From this information, our Finance Council will now project anticipated income from the collection and other sources and finalize the proposed budget for the new fiscal year that will begin July 1.

When we have completed the annual financial report we send each July to the Archdiocese, we will share that with you so that you can see how your stewardship during the past fiscal year was managed in support of parish life and ministries and our financial commitment to the Archdiocese. At that time, we will also share with you the budget projections (income and expenses) for the new fiscal year.

As you might recall, each year I give you, at Mass one Sunday, what I call my annual "State of the Parish Report." Since I will be away for a few weeks, and since many parish families travel during these Summer months, I will share that reflection with you at all of the Masses on the weekend of August 14-15.

Speaking of vacation, I will be leaving for mine today, following the Masses. I'll be using some of this time to travel with my sister and some friends and then spending some quiet time and catching up on housework and garden work at my place in Mississippi. Please keep me and my travel companions in your prayers, and know that you will be in mine. I will return on July 19, which is the same day Father Peter will be leaving for his vacation, returning on August 6.

Father Jim Schott will also be out of town for a while around the week of the Fourth of July.

While I am away, I have asked other members on the parish staff to take over this space in the bulletin. You will be reading messages from Fr. Peter, Sr. Paula, Mrs. Colleen Remont (our school Principal) and Jackie Appleton (our Business Manager).

Also, arriving soon in our parish is Father Philip Odii. Father is a priest of Uganda who studied here at Notre Dame Seminary. He will be on his Summer holiday and will be here in the U.S. to visit classmates and friends. He was looking for a rectory to reside in during his stay, and we have offered him hospitality here at St. Angela for the month of July. In return, he has offered to assist with sacramental ministry, and thus will be helping us by presiding at both weekday and weekend Masses during his stay. Father Philip is expected to arrive here at St. Angela June 27 or 28. Please extend a warm welcome to Father Philip and make him feel at home for the month he will be spending at St. Angela.

With Father Philip, Fr. Schott and Msgr. Carroll helping out, we have "covered" nearly all Masses for the Summer, even with all of us traveling a bit. There are only a few days we will need other priests to assist with weekday morning Masses, and we are working on this. However, if we are not able to find this help, there may be a few days this Summer when we will have to cancel the 6:15 a.m. Mass. Of course, we will let you know those days in advance through announcements here in the bulletin.

THANKS to all who helped make Summer Safari a big success: Sr. Paula, adult and teen volunteers, parents who registered their children and the young people who participated!

We received an invitation this week, addressed to the Parishioners and Staff of St. Angela Merici Church. It is an invitation for all to participate in the ordination to the priesthood of Deacon Peter Finney, a young man from our Archdiocese who has been studying in Rome. Deacon Finney will be ordained on **Saturday, July 10 at 10:00 a.m.** in St. Louis Cathedral.

There is a parish connection here. Deacon Peter Finney is the nephew of Barbara Finney Weilbaecher, wife of our parish Music Director, Peter Weilbaecher.

I hope that some of you will be able to join in this special celebration.

That Deacon Finney is the only one being ordained this year for service in our Archdiocese as a priest, we are all reminded of the importance of praying for and promoting vocations!

ST. ANGELA MERICI NEWS

Dear Sisters and Brothers in the Lord,

The Archdiocese of New Orleans is truly blessed by the service of the many fine and dedicated priests. We are particularly blessed by having the services of over sixty retired diocesan priests who continue to serve the Church of New Orleans and the surrounding region in many ways.

The annual collection on Father's Day is used to defray the significant costs of the medical and retirement expenses for these retired diocesan priests.

Your participation in the collection is a way to say "thank-you" to our retired diocesan priests for their many years of service to us, the Church of the Archdiocese of New Orleans. I assure you that your support will benefit the retired diocesan priests for years to come.

Sincerely in Christ,

Most Reverend Gregory M. Aymond, D.D.
Archbishop of New Orleans

THANK YOU

Summer Bible Camp was a success and lots of fun thanks to all the adults who donated their time and energy and to the teens who continually kept the younger ones moving and enjoying their time here. Thanks,

Dear Parishioners,

While Fr. Ken's away on vacation, he's asked some of our parish staff to take over his bulletin space. We all hope and pray that he returns to us next month refreshed and renewed.

As the heat of summer is well upon us, I hope that we all take the time to rest and relax a little bit more as we enjoy the many gifts and blessings that God has given to us. Before we know it, we'll be back in full swing with school and the busy activities of the rest of the year. But for now, let's just be "in the moment" and stay cool...or at least try to stay cool.

As I was thinking about what I might write in this bulletin space, I started thinking that it was on July 1st of last year that I began serving here at St. Angela Merici. I have to say that it has been one of the fastest years of my life. Being that it has gone by so quickly is a sign that I am enjoying this parish immensely! I feel so blessed to be a part of this vibrant community of faith. I have never felt so "at home" so quickly. I thank all of you for your 'welcome' and continued prayers and support. I am looking forward to my second year here as we learn, love, and grow together in our discipleship.

One of the things I love most about our parish is the way we "step up to the plate" when things really need to be done. Like Fr. Ken, I too am so impressed with the increase in our food bank donations. I've mentioned in one of my homilies a few weeks back of our need, and Fr. Ken mentioned it in a recent bulletin article. You stepped up to the plate. When I walked in to see the food pantry, I became teary-eyed. I felt an even stronger pride for the parishioners of St. Angela Merici Parish. We can all feel good that so many good people are benefitting from your generosity. Let's also continue to keep all of our sisters and brothers who may be struggling financially at this time in our daily thoughts and prayers.

Speaking of "stepping up to the plate" (hint, hint)...we are still in need of altar servers, lectors, Extraordinary Ministers of Holy Communion, choir members, ushers, adult servers (both women and men) to serve daily Mass, and volunteers for our other varied ministries here at St. Angela.

While we are enjoying the summer 'down time', let's all be mindful that we still have the obligation of participating in Sunday Mass. Even though it's summer, we all need the grace of the Living God present both in the Word and in the Eucharist. If you're planning a vacation this summer, don't forget to plan Sunday Mass into your itinerary.

(continued on page 2)

Booking flights, hotels, and rental cars is important for the success of any trip, so is looking ahead and researching the Catholic churches in the area you'll be visiting. When I'm away, I always enjoy visiting other parishes around the globe.

Another thing worth mentioning: As I wrote earlier, we all know it's hot outside...very hot! Just a reminder about dressing for Sunday Mass. Despite the heat, we are still in the presence of God and need to dress appropriately for church. Modest dress is still expected. Remember what Jesus said in Scripture: *Give to Caesar what belongs to Caesar, and Give to God what belongs to God.* If we apply this to dress, we might say: Wear to the beach what people wear at the beach, and wear in Church what is appropriate for the presence of God.

Lastly, I want to mention our upcoming Mission Appeal. Fr. Sebastian Mpango Nzabhanganga from the Diocese of Kigoma, Tanzania will be speaking at our Masses the weekend of July 10th and 11th. He will be here to speak to us about life in his home diocese and the struggles they face on a daily basis in their efforts to share the Good News of Jesus Christ. He will call upon the generosity of the people of St. Angela Merici to help support the spiritual, pastoral, and educational services of the Diocese of Tanzania. We welcome Fr. Sebastian to our parish.

Prayer for Protection against Storms and Hurricanes

God, our Creator and Protector, through the intercession of Our Lady of Prompt Succor, spare us during this hurricane season from all harm.

Protect us and our homes from all disaster of nature.

Our Lady of Prompt Succor, hasten to help us.

We ask this through Christ our Lord. Amen.
