## PRO-LIFE MINISTRY

### **SECOND MONTH AFTER CONCEPTION**

*Baby is making tremendous progress in his or her development. The brain is functioning more and the baby can move his or her muscles. The mother can hear the heartbeat through an ultrasonic stethoscope. The taste buds are beginning to form and milk teeth buds are present at 6 1/2 weeks. At the gestational age of 2 months, a developing baby is just over 1 inch long but has unquestionable human characteristics. Incredibly, by the end of the 8th week, all of the major organ systems have been established. Baby has developed the essential internal and external features needed to survive after birth and just needs to grow and be refined.*

- Our monthly Pro-Life Meeting will be **October 8, 2018 at 9:30 am.** in the parish office.
- **On Saturday, October 13,** America Needs Fatima Public Rosary will be prayed at 12:00 p.m. at General Pershing / Magnolia Corner. Come pray with us to end abortion.
- **During the weekend of October 13-14th and October 20-21st,** a sign-up sheet will be available after Masses to pick your time to pray at the Women's Health Center on Gen. Pershing on **St. Angela Merici Day** for 40 Days for Life, **Monday, October 22.** Times available: 7:00 a.m. to 7:00 p.m.
