

SAINT ANGELA MERICI ROMAN CATHOLIC CHURCH

Archdiocese of New Orleans

*April 7, 2019
Fifth Sunday of Lent*

Dear Parishioners,

In every Catholic church parish, it is common practice to have a **Parish Census**. A census is an official count or survey of a population. It allows the church parish to know how many parishioners are within the parish boundary and how many are outside of our parish boundary. It also helps the parish to communicate important information with parishioners.

Our last census, believe it or not, was in 1990. Over the past 29 years, a lot has changed for many parishioners.

In this first phase of information gathering, we are simply trying to update records of current parishioners and connect with those who have not registered with us.

You can participate in the **Parish Census Update** in two ways:

- Go to **www.stangela.org** and click on the square that reads “Parish Census”. The digital form is self-explanatory.

or

- Pick up a **yellow registration sheet** in the back of Church. You can drop it off with our ushers next week when you come to Mass, mail it to the office, or drop it by the office directly.

We will be placing more emphasis on this Census campaign over the next two weeks.

As always, know that Fr. Patrick and I pray for you daily.

Fr. Beau
